- Docket No. 2019-291-S - Joint Application for Approval of the Sale of Assets and Transfer of Facilities and Service Territory from Moore Sewer, Incorporated to Spartanburg Sanitary Sewer District

A Protestant is an individual objecting on the ground of private or public interest to the approval of an Application, Petition, Motion or other matters which the Commission may have under consideration. 2. Please give a concise statement of your protest. \* (This section must be completed. Attach additional information if necessary.)

I am trying to figure out what all numbers means since every neighbor I talked to so far cannot understand what they mean.

Question 1 = Sewer unlike electricity or internet the infrastructure cost is not shared between all customers. YES - NO - Every area in Spartanburg is responsible for their own infrastructure?

Question 2 = we are currently paying more for sewer than most areas in Spartanburg and Atlanta 30033 or Columbia 29205 why is that?

Other side of page

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? \*

Most people in this area work and many don't have transportation to get there.

Assuming 100 gal consumption:

Linnville Hills

Current Bill:

27.93	Moore Sewer
22.33	SSSD
48.30	Treatment charge
<del>14.20</del>	collection charge (moore does not charge)
<u>\$98.56</u>	

New Bill

5.70	Base charge
67.50	- Treatment + collection
24.00	capital recoupment
<u>97.20</u>	

- 3) So based on your information prior bill and new bill would be the same?
- 4) What happens after 2 years, the bill will go down by \$24.00?
- 5) I would like to talk w/ someone about this.  
I have spent many calls w/ different people but nobody has an answer. I do have names of people I talked with but nobody knows what's going on.
- 6) I already called last year to ask who is doing the capital improvements because when I talked w/ moore they said they were not, so our \$27.93 was just admin expense not for improvements and SSSD should have seen this a long time ago.
